If foundation wall is less than or equal to 8 feet in height

Option B

If foundation wall is greater than 8 feet in height

Option C

Indicate footing size: _____

Indicate wall thickness: _____

Specify horizontal and vertical rebar schedule

Horizontal Rebar: _____

Vertical Rebar: _____

Indicate footing size: 18"

Indicate footing size: _____

Indicate wall thickness: 8"

Indicate wall thickness: _____

Horizontal Rebar: 1 #4 withing the first 12 inches of wall & 1 #4 at midpoint of wall

Horizontal Rebar: 1 #4 withing the first 12 inches of wall & 1 #4 at 1/3 points of wall

Vertical Rebar: 1 #4 at 16 inches on center

Vertical Rebar: 1 #4 at 16 inches on center

Acknowledgement is made that plans for the entire structure are not complete or that plan checking has not been completed. We the undersigned recognize that proceeding with the partial construction at this time is entirely at our own risk with no assurance that the permit for the entire building or structure will be granted. We the undersigned further absolve the City of Idaho Falls, and officers and employees therof of all responsibility for the issuance of a partial permit and further agree that any work performed under this permit will be removed or otherwise corrected to be in accord with the requirements of the final approved plans when a permit for the entire building or structure is granted.

If the construction of the project advances past the specified items above, the building permit fee will be doubled.
